

Realising potential: Nurturing leaders of the future

Welcome to your Sixth Form

Dear Students,

Norbury Manor is a high-achieving sixth form provider that will provide you, the student, with the skills you need to succeed in your chosen future pathway.

Our sixth form is vibrant, diverse and an integral and valued part of our school community. When you join us, you will have exciting opportunities that enable you to develop your leadership skills, explore new and interesting personal interests and hobbies, and achieve your academic aspirations. You will have access to your own sixth form block with modern teaching rooms, a computer suite for private study and a large common room.

We provide outstanding pastoral support alongside high quality independent careers information, advice and guidance to ensure that you are aware of all of the routes to further and higher education and employment that are open to you.

Your teachers will push you to achieve and support you to be the best you can be. The world is changing at a rapid pace and to successfully take your place and make your mark you will need to be adaptive, creative, enterprising, courageous and think globally. At Norbury Manor, you will have many opportunities to develop these key skills and attributes.

When you join us at Norbury Manor Sixth Form you will study in a happy, successful and caring environment where lifelong friendships are forged. If you think you have what it takes to add to our already thriving student community, please come and visit us to find out more, take the opportunity to see our facilities and talk to our students, they will tell you that they made the right choice studying with us.

Life after GCSEs is all about choices, your choices!

Being a sixth form student at Norbury Manor has been a very positive experience for me. I have a strong work ethic and have been able to develop my time management and academic skills.

I have had the opportunity to take part in a number of programmes at both the University of Sussex and Kings College to get me ready for applying to university this year, for me Norbury Manor

has been the first step in achieving my future aspirations.

There are a lot of other opportunities at Norbury Manor that will allow you to make your mark, you can become a member of the Head Team, set up your own club or society or get involved with the lower school community.

Sixth Form Curriculum

Our sixth form is well established and flourishing, offering a modern and relevant curriculum. We offer a wide range of AS, A2 and BTEC courses for students and further new courses are introduced as the sixth form continues to grow.

The following subjects are being offered:

Science Faculty

Biology
Chemistry
Physics

Computing & Life Sciences Faculty

Business Studies
Computer Science
Economics
Health & Social Care
Psychology
Sociology

MFL & Expression Faculty

Drama
Music

Textiles

Humanities Faculty

Criminology
Extended Project Qualification
Geography
Government & Politics
History
RS: Philosophy & Ethics

Mathematics Faculty

Mathematics

Students should complete their application form indicating their initial subject preferences and reserve choices. All students who apply for a place at the Norbury Manor Sixth Form are then invited to interview and their subject preferences will shape our final curriculum offer. Subjects will then be arranged into option blocks based on student preferences in order to satisfy the needs of the majority of students.

Students without a 9–4 grade in Maths and English GCSE will be required to attend retake classes in these subjects.

Enrichment

Sixth form students have access to a wide variety of enrichment activities. All year 12 students will take part in an adventure day to build a sense of teamwork and co-operation. Students will also have opportunities to visit universities and businesses as well as being able to take part in subject specific visits. Numerous clubs and activities outside of the classroom are also available to the students and include the Duke of Edinburgh Award Scheme and the Debating Club.

We are part of a number of 1st Generation Widening Participation programmes and this supports our sixth form students to access top flight universities,

industry insight days, work experience in top firms and dedicated university Open Days.

PSHE

This is compulsory throughout the sixth form programme of study. Students will spend time with their form tutors following a programme of study which includes topics as varied as study skills, careers guidance and the UCAS process.

Participating

Sixth form students benefit from being a part of a flourishing, caring community and are encouraged to take part in events linked to the wider life of the college to develop their leadership and citizenship skills.

Additionally, we organise a range of activities throughout the year to encourage students to look beyond their time in the sixth form and plan towards their futures. These events include visits to universities and careers exhibitions, work shadowing and mentoring programmes pairing our students with those already at university.

During the sixth form, students will develop the skills required in order to be successful in higher and further education or employment.

I am very happy to be a part of the sixth form at Norbury Manor because it has so much to offer. I remained in the sixth form after finishing KS4 because of the positive environment, the supportive staff and the range of subjects offered here. I am planning to go to university but have more work to do on finding the right course for me at the right university; luckily we have a lot of support with making these choices.

Studying a mixture of BTEC and A Level subjects is proving to be a good pathway for me. The BTEC approach allows me to complete projects and assessments as I study the different units and I can balance this with the exam elements of my A Level subjects.

I am currently studying for a diploma in. As a sixth former, some of my time is spent in the common room, talking with friends and playing games as well as working! The atmosphere is warm, friendly and welcoming and the common room is always buzzing. I have made many new friends with so many new people, including students joining us from other schools, who fit right in and quickly become a part of our school.

There are a range of activities you can take up in the sixth form, I am a member of the Medical Society and have been able to take part in a lot of discussions, trips and visits. The best so far was the opportunity to take part in the Royal Society of Medicine "Operating Tour Live" event. We were able to view and take part in a range of scientific dissections under the direction of medical professionals – it was such an amazing experience.

Where can Norbury Manor take you?

- › 2015–2017: Norbury Manor Sixth Form
- › 2017–current: Valdosta State University, Georgia, USA – Political Science and Pre-Med

I joined Norbury Manor Sixth Form as an external student from Carshalton Girls. I studied A Levels in English Literature, History and Drama along with an AS Level in French.

Coming to Norbury Manor was a huge adjustment for me but I was able to embark on this journey with the support of the friends I made in my first few days. Being here has made me resilient and allowed me to develop my leadership skills. I have had opportunities to perform in events and be an advocate for the things I believe in. I have made lifelong friends during my time here.

I was accepted into Valdosta State University in Georgia in the USA with an International Scholarship. Currently, I am a rising sophomore majoring in Political Science and Pre-Med and am looking forward to the rest of my time studying in the USA.

“This was the right place for me.”

- › 2013–2014: Plymouth University – Mechanical Engineering
- › 2014–2016: Plymouth University – Forensic Science
- › 2016–2017: Kingston University – Forensic Science

Norbury Manor was always a second home for me, a family that always cared and looked after me. I joined in year 7, not wanting to move on from my primary school. However it didn't take long to get into a routine and to realise that this was the right place for me.

The support given by the pastoral team and all of my teachers throughout my time here outstanding.

Becoming a Head Prefect in year 11 and Deputy Head Girl in year 13 allowed me to build up my confidence, leadership skills and enabled me to develop friendships across the whole school.

After finishing GCSE's I had no doubts in my mind that I would stay in the sixth form. I chose to study Biology, Maths, Psychology and Physics.

I originally started a degree in Mechanical Engineering, but realised that this was not right for me so I changed to Forensic Science. I knew straight away that I had made the right decision and I graduated from Kingston University with a first class degree.

I am now back at Norbury Manor and I have completed my first full year of science teaching here. It has been one of the best experiences I have had so far.

“It's a school where every student matters, and no one is left behind.”

- › 2014–2015: GlobalGiving UK – Youth Programme Co-ordinator
- › 2015–2016 The Holocaust Educational Trust – Ambassador Programme Administrator
- › 2016–present: Greater London Authority – Data Support Officer

When I started at Norbury Manor in year 7, I was extremely shy, with few aspirations. It soon became clear that Norbury Manor was different from the other schools I visited when I was looking for a secondary school, it had a really unique and friendly atmosphere, and such a huge variety of people. I knew I would like it there.

I loved school and slowly my confidence grew, and I worked hard to achieve good grades. When it came time to consider my post-16 education I realised I'd enjoyed my time at Norbury Manor and didn't want it to end! I knew that the excellent teaching and support system would get me through my A Levels, and I was excited by the opportunities that the sixth form had to offer.

With the help of my teachers, I continued my academic success, and got into Oxford University to study Geography.

After my degree, I worked for two small charities developing and delivering youth programmes. I am now working in the Mayor of London's Planning Unit with the aim of becoming a project manager in the public or charity sector.

My years at Norbury Manor taught me to always work hard and always give back, and now with every step I still strive to do just that.

“I have made such wonderful friends for life.”

- › 2006–2013: Norbury Manor student
- › 2014–2018: Virginia Commonwealth University, USA – Chemistry
- › 2018 onwards – newly graduated and considering a Masters Programme in the USA or employment

Norbury Manor was the ideal sixth form for me. I wanted to be at a sixth form where I was already well established and the teachers knew me and my learning style. I chose to study Biology, Chemistry, and Maths to A Level and Geography to AS Level.

After A Levels I took a gap year to explore my options, this gave me the opportunity to step outside of my comfort zone and I have had been able to try the things I always dreamed of doing, such as summiting the highest mountain in Africa, Mount Kilimanjaro!

I chose to apply to American universities to study Chemistry because of the opportunities the USA offers to students. Norbury Manor was incredibly supportive and gave me the confidence as I made the big decision to apply to study abroad and I have now successfully graduated with a Bachelor's degree that has opened up doors to multiple career paths. I am looking forward to the next steps in forging my career – it is an exciting time.

I had a wonderful time at Norbury Manor. I have made such wonderful friends for life and I will always cherish the great memories. Norbury Manor will always have a place in my heart.
