ENQUIRIES ABOUT RESULTS

For GCE candidates going to university:

The Awarding Bodies offer various types of services for 'enquiries about results', e.g. access to and/or re-marking of scripts. Where a candidate's place in higher education is dependent upon an outcome that has not been achieved there is a 'priority review of marking' service available. Before using this service, candidates should take advice from a member of staff. This service is expensive and the cost will have to be met by the candidate. The candidate should also bear in mind that grades can go down as well as up or, as in most cases, stay the same. The deadline for priority review of marking is **23rd August 2018**.

For GCE candidates in year 12 and GCSE candidates:

For those students not going on to university the deadline for enquiries about results is **Monday 17th September 2018**.

Please apply to the Examinations Office for costs and related paperwork. **The cost of re-marking a script will be refunded to the candidate if the re-mark results in a raise in grade for that subject (not just the unit).**

Certificates

Certificates will be available for collection **from the end of November**. All certificates will be in the **Front Office**. Please notify the Examinations Officer if there are any discrepancies in the results recorded on your certificates.

Coursework/Controlled Assessments

Coursework and controlled assessment folders can be collected by students in **January 2019**. Please liaise with the department concerned before collecting your work.
