

Dear Students and Parents/Carers,

I am writing to you to confirm that exam results will be available as originally planned on:

- Thursday 13th August for AS and A levels and other level 3 qualifications
- Thursday 20th August for GCSEs

We currently plan to offer students the opportunity to collect results in person by offering timed slots to help with social distancing.

We are also starting a little later than usual so that students can avoid using public transport during busy times.

Please make a note of the time allocated to your form and make sure that you check your travel arrangements.

Thursday 13th August

09.30 SFB
09.45 SFF
10.00 SFG
10.15 SFP
10.30 SFR
10.45 SFT

Thursday 20th August

09.15 Sixth form GCSEs

Please look out for information on the school website, Show My Homework or by email a few days before results days in case the situation at the time requires us to change these arrangements.

Results will be posted to anyone unable to collect or to all if we aren't able to offer the opportunity for students to collect their results. Please make sure that you have informed the school of any change of address by emailing admin@nmbec.org.uk.

We may also be able to email results but this would only be done at the end of the day.

Obviously with no exams there won't be the usual arrangements for having the marking of papers checked but there should be an opportunity for you to sit exams in the autumn if you are unhappy with your grades; information on the arrangements for this will be available on results days. It is likely that deadlines for these exams will be very tight so if you need to discuss your results it will be vital that you look out for this information and contact me on results day by emailing examofficer@nmbec.or.uk.

The sixth form team and Ms Park, our careers advisor, will be available to support students with queries regarding their next steps if required.

Kind regards,

K Townsend
Exams Officer
