

Year 7 Literacy & Numeracy Catch-up Premium Funding Statement 2016

The Department for Education (DfE) provided additional funding for all students in Year 7 who under-achieved based on age-related expectations at the end of KS2; for the academic year 2015-16, the college received £16,500. This funding is to be used by the college to provide literacy and numeracy catch-up support for Year 7 students.

Aims:

- To raise reading age attainment
- To encourage students to develop a lifelong love of reading
- To support progress in mathematics and overcome any barriers to learning girls may have when it comes to this subject

Impact of Funding:

- Increased whole-college awareness of literacy and numeracy
- Support for the Accelerated Reading programme to promote literacy and encourage reading in the young students
- Over half of the weakest readers in the college made more than six months' progress on the Accelerated Reading programme
- Increased reading confidence
- Increased reading level progress across KS3
- Books donated by the 'Book Wizard' to selected students over the year
- Books and writing equipment donated by the 'Book Wizard' to Ever6 students on World Book Day
- World Book Day celebrated with characters' costumes from favourite books by staff and students a long with literacy related activities and guest speakers.
- The gap between progress in English and Mathematics is closing rapidly
- Whole-college staff training on literacy and numeracy
- Introduction of 'The Growth Mindset' strategy to support development of numeracy
- Additional books have been purchased for the library and the uptake of books from the library has increased (see table below for impact)
